

POZIONI MAGICHE - ISTRUZIONI PER L'USO

Si possono utilizzare in tanti modi diversi:

INVENTA LA POZIONE:

per prima cosa potreste compilare una delle due tabelle delle pozioni magiche inserendo alcuni ingredienti: con i bambini puoi decidere che tipo di pozione vuoi creare (per far ridere, per far spuntare un occhio, per dare la forza...), scegliere tra gli ingredienti a disposizione o inventarne altri.

CACCIA AL TESORO

Dai ad ognuno un foglio con le due tabelle; quella che avete compilato insieme e l'altra in bianco, al via dovranno andare alla ricerca degli ingredienti che servono per completare la pozione (puoi nascondere una copia degli ingredienti in aula o spargerli per il giardino e dovranno raccogliere solo quelli giusti), con i più piccoli puoi pensare ad un semplice percorso per conquistare gli ingredienti

GIOCO DA TAVOLO:

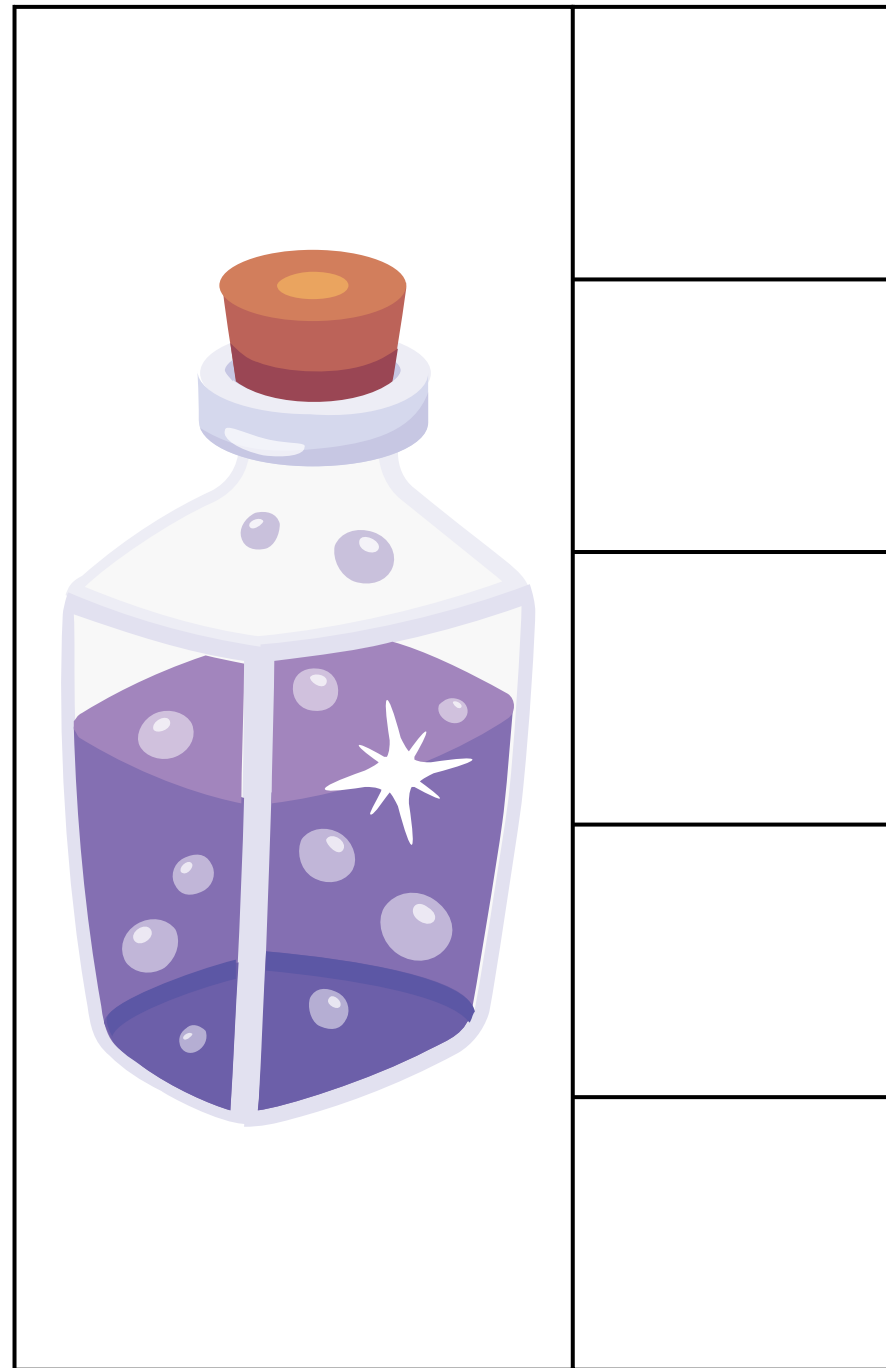

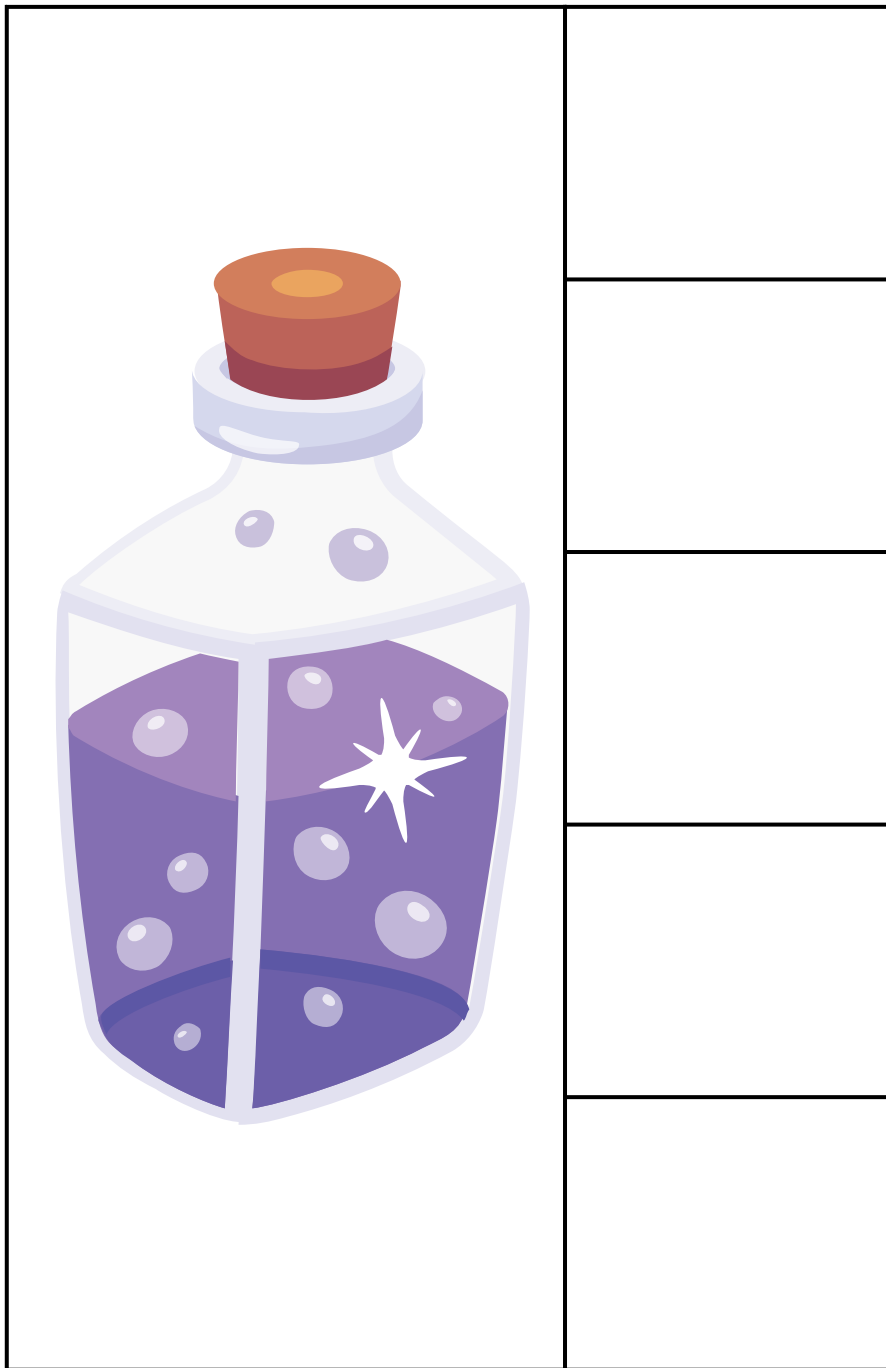

sempre compilando una delle due tabelle prima, i bambini avranno delle carte a disposizione da pescare a turno, vinche chi per primo trova tutti gli ingredienti per completare la sua pozione magica

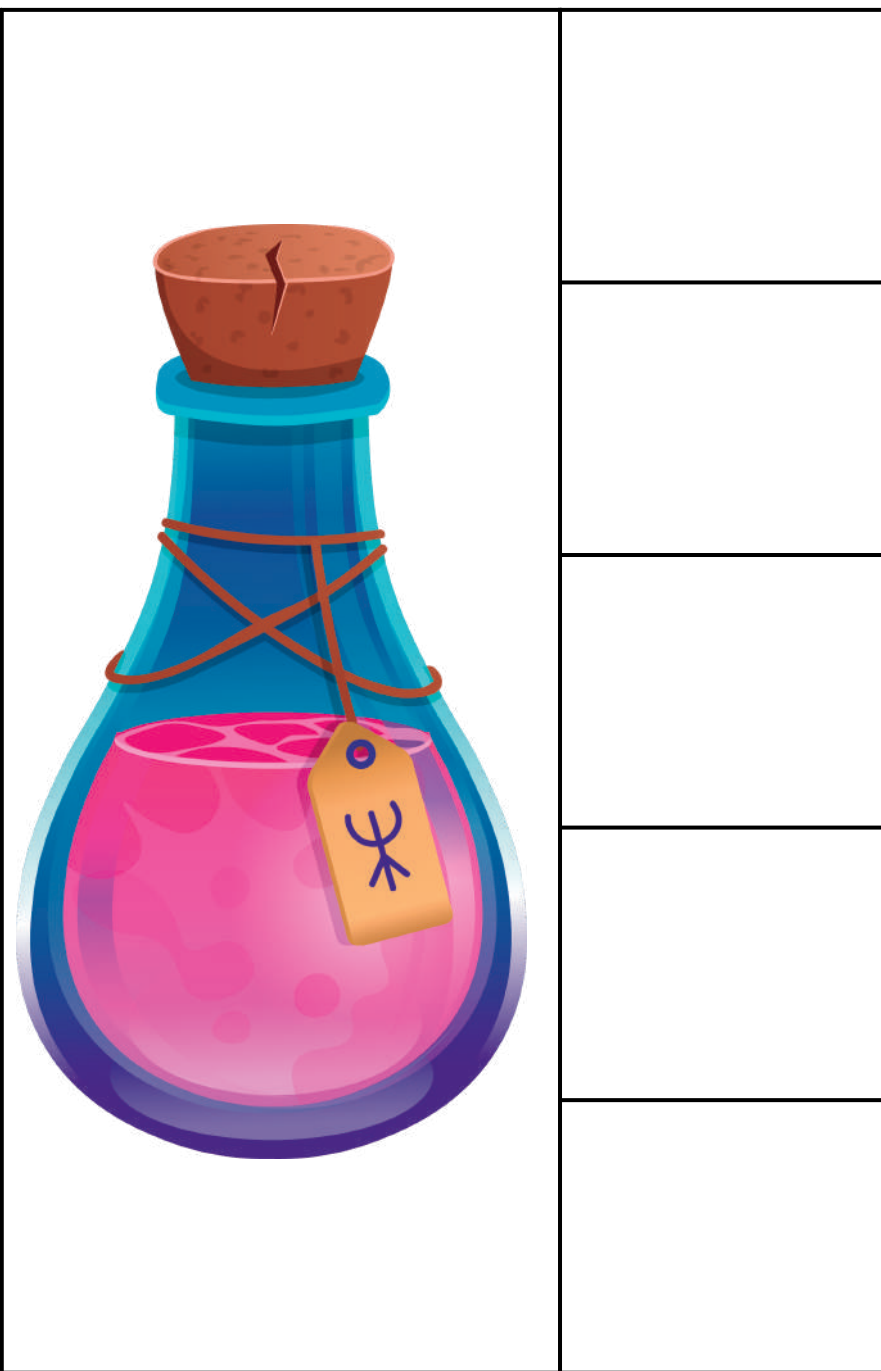

GIOCARE CON LE QUANTITA'

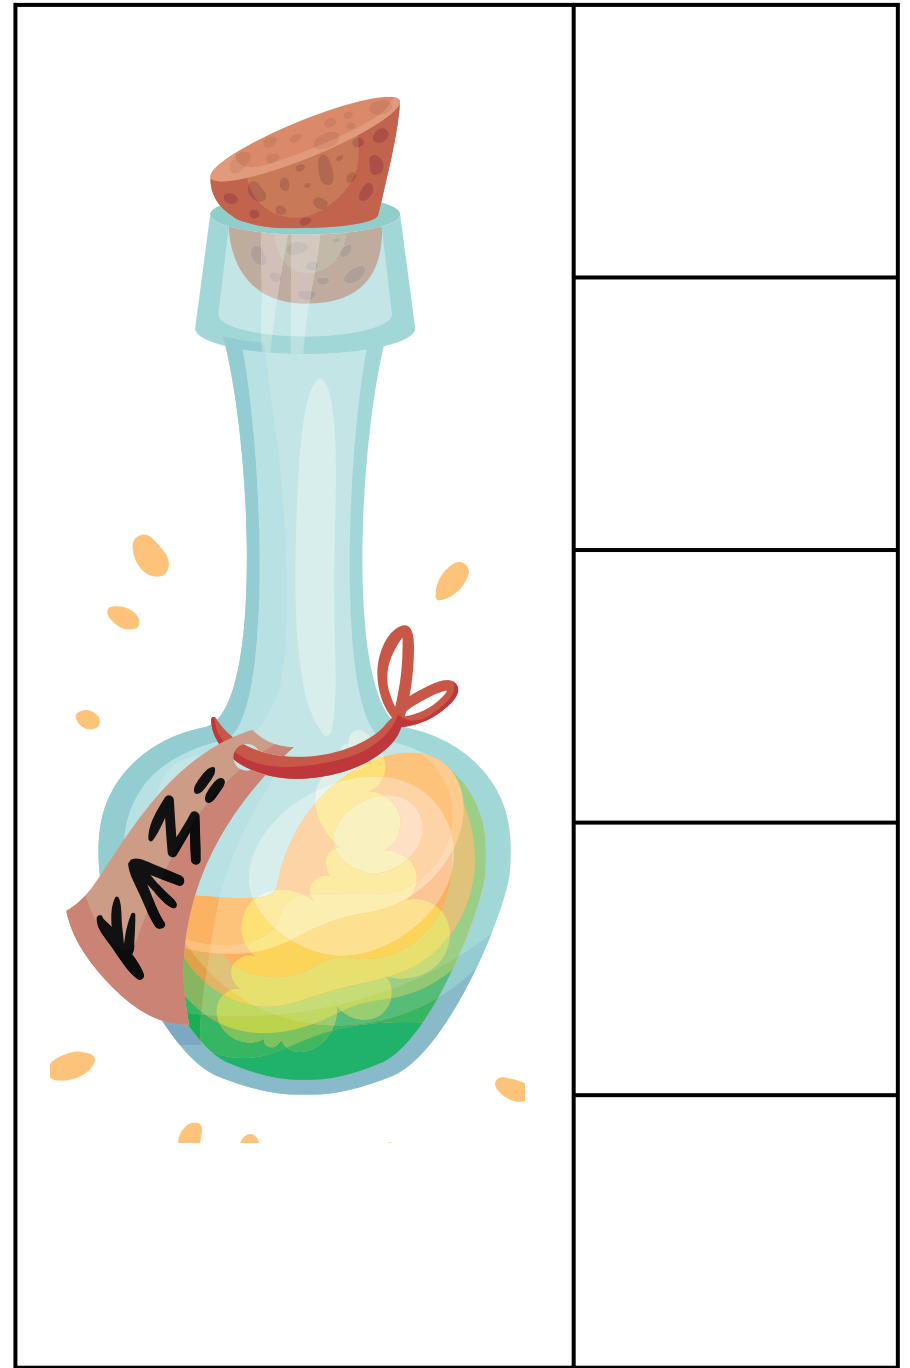

potresti aggiungere i numeri alle tabelle in modo che per ogni pozione servano un numero differente di ingredienti (es. 3 tappi, 5 code di lucertola, ecc.)
